Prot.N. CdM202203120002 ref. BNV202218110001

Law No. 22 of 03 December 2022:

Official communication: Provision law.

Executed by the National Authority of the Veneto National Liberation Committee of Europe - C.L.N.V., by the government executive of the Council of Ministers and by the legislative power of the Parliament on the eminent document Prot.N. BNV202218110001 of the Governor of Banca Nazionale Veneta (Venetian National Bank), dated 18 November 2022. (attached)

Veneto International Public Juridical Act: Banca Nazionale Veneta of the self-determined Veneto People of the International Legal Person, Veneto National Liberation Committee. The purpose of the C.L.N.V. for the Veneto State: "We are determined to ensure that all human beings can enjoy prosperous and satisfying lives and that economic, social and technological progress takes place in harmony with nature".

Adoption of legal provisions of a financial nature required by the execution of the obligations deriving from the commitments undertaken, for the jurisdictional protection of the right of self-determination, as an obligation of International Law exercised and made enforceable by the legal entity of the Veneto National Liberation Committee of Europe - C.L.N.V, by the government executive of the Council of Ministers, by the legislative power of the Veneto Parliament, by the Office of the Attorney General and by the Governor of the Banca Nazionale Veneta of self-determination of the Veneto People.

Council of Ministers

Seen: Constitutional law on the Banca Nazionale Veneta, Federal law on the monetary unit and means of payment, with instrument that entered into force for the Venetian nation on 18 September 2018, with the declaration of acceptance of the obligations with full and complete execution of the instrument of ratification by the transitional Government of the National Council of the Veneto People, in compliance with International Law. Approved the decision of the General Secretariat of the Veneto National Council, the definition of the political agenda of the National Council of the

Veneto People. With the adoption of certain legislative actions to be taken to meet implementation targets for the next five years.

Main priorities:

- Protect the neutrality of the Venetian Confederation.
- Protect citizens and freedoms.
- Develop our strong and lively economic base: Veneto model for the future.
- Building a green, fair, social and zero climate impact Veneto.
- Promote Venetian interests and values on the world stage.

In an increasingly changing world, characterized by growing uncertainty and complexity, the Venetian Confederation must pursue a strategic line of action and strengthen the ability to act autonomously to protect its interests, values and lifestyle, without this harming the freedoms of others, not changing the lives of others and guaranteeing the social-economic sustainability of the planet, for all its inhabitants.

In this area, the Legislative Council agreed on the following key actions:

- support the United Nations and the fundamental multilateral organizations, which must be independent, non-profit and aimed at achieving the well-being and individual freedoms of every people;
- promote sustainable development, shared freely by all nations, implement the 2030 Agenda, making full use of it to achieve sustainable, free, unconditional but never coercive development towards anyone;
- implement the principles of the World Code of Ethics for Tourism and the "The Ten Principles of the UN Global Compact";

These objectives must be shared with the Veneto people, both in terms of economic sustainability of the transition and in social terms, without causing traumatic imbalances in the short term, for the well-being of the Venetian People and their territory and their economy.

Pursuant to the Federal Law on Banca Nazionale Veneta, Art. 3 banknote issue monopoly. The National Bank, subscribed to direct democracy of the right of self-determination of peoples by all citizens of Venetian Nationality of the Venetian Confederation, declared by the C.L.N.V. at the United Nations, has the exclusive right to issue banknotes.

Banca Nazionale Veneta, in compliance with articles 99, 100 and 123 of the Venetian Federal Constitution, on the mandate of the Governing Council, implements the program for the purchase of public and private sector assets, in terms of quantitative easing, of the ownership of the bills issued by the Revenue Agency of the Italian State (Agenzia delle Entrate), expressed in euros and in compliance with Art. 1 on the monetary unit; the Venetian monetary unit is the Zechino, divided into one hundred cents.

Banca Nazionale Veneta carries out monetary policy in the general interest of all the self-determined Venetian People and has the exclusive right to issue banknotes, as well as control, supervise and authorize all forms of access to credit and measures aimed at obtaining financial means and money in the securities market. The Banca Nazionale Veneta creates new money, always in the prudent balance of the monetary base and of a general economic balance, by injecting money, directly or through ad hoc monetary instruments, so as not to create distortions or distorting effects on the market itself, in accounts of self-determined Venetian citizens; in this way, with its own monetary issue, the debt with the former country of belonging, expressed in euros, directly to the European Central Bank E.C.B., is eliminated.

Banca Nazionale Veneta: Quantitative easing. The policy implemented by the Banca Nazionale Veneta is carried out through the creation of money and the purchase of securities, denominated in euros, from the Italian State (Securities of the Revenue Agency) paid by self-determined Venetian families. The B.N.V. make a unified payment to the E.C.B. with its own conventional currency signed by law by the self-determined Veneto People. Beyond the monopoly regime from the E.C.B. The Banca Nazionale Veneta, for a legal "Alternative Liquidity" is such as to constitute an authentic injection of oxygen for the real economy of the self-determined Veneto People.

The Banca Nazionale Veneta and the self-determined Venetian People constitute the monetary system of the Venetian Confederation.

Proposed by the Governor of the Banca Nazionale Veneta to the Council of Ministers for Parliamentary approval, the implementation of the constitutional laws approved to make political, economic, social and cultural rights enforceable.

- 1) Approval by decree establishing the Council of Ministers of the legal form Public Economic Entity (inspired by the Swiss legal model) which, like a commercial company, has its own legal personality and operates in the economic sphere according to the principle of public utility;
- 2) Establishment of the commercial register;
- 3) Opening of a government institutional account for State functions. In the transition phase to double legal tender, with the same Zechino-Euro value;
- 4) Constitutive act of the Banca Nazionale Veneta of self-determination of the Veneto People in a Public Economic Entity, under public law (Statute attached).
